Mr/Mrs

Following the job offer published on your site, I allow myself to come to you because it has aroused my interest.

Indeed, my profile corresponds to the description sought on your job offer.

My training in Computer Science Management and my ability to improve my skills have allowed me to acquire many of the skills you are looking for. I have all the assets that will allow me to succeed in the role you want to entrust me. Motivation, rigor and listening are the watchwords of my professional behavior. Having developed several sites and applications, led and served as a guide for many teams and regularly faced with the difficulties of the job, I am able to respond to unforeseen autonomy.

Integrating your team represents for me a real challenge for the future in which my work and my honesty can be fully expressed.

Remaining at your disposal for any further information, I am available to meet you during an interview (skype/whatsapp) at your convenience.

Please accept, Mr/Mrs, the expression of my sincere greetings.
